

New Expanded Line

TANGLE FREE SPINNING POLE

A full six feet long, this pole is available in either a brushed aluminum or white finish and is crowned with a gleaming metallic ornament. The top 40" of the pole rotates on ball bearings so the flag will always hang free. There is no need for an unfurling tube.

For the easiest and most versatile installation ever, this pole comes complete with two flag fasteners for flying a traditional flag and also with a snap and swivel ring for banner display. Fits 1" brackets.
