

RESIDENTIAL FLAGPOLES AND DYED U.S. FLAGS

Let the Sun Shine In....

...with fully printed US flags in your choice of three different materials. Unlike flags with sewn stars that block the light these dyed US flags feature radiant white stars illuminated by the bright light of the sun.

Sun-Glo US flags are made of 100% SolarMax nylon for extra durability.

Item #	Size	Description	Each
002470	8" x 12"	Sun-Glo	\$8.70

Compare... the US flag shown in this photo has a sewn star field. When the sun is behind the flag the stars block the sunlight and appear dark.

With a dyed US flag the stars appear bright no matter what the angle of the sun.
